

TRIBUTE TO JOHN R. CYR

• Mr. MARSHALL. Mr. President, I rise today to honor and recognize Mr. John R. Cyr, the inaugural recipient of the NCRPC's Lifetime Public Service Award.

The North Central Regional Planning Commission—NCRPC—was formed in 1972 following the establishment of planning and development districts through executive order of the Governor of Kansas. The NCRPC serves 12 rural counties in Kansas, with the mission of advancing rural Kansas through comprehensive planning and development services. In 1980, the U.S. Economic Development Administration designated the NCRPC as an Economic Development District—EDD—which established the commission as the regional leader in economic and community development.

In 2022, the NCRPC established its Lifetime Public Service Award, to be presented to John R. Cyr on November 10, 2022. Mr. Cyr has not only been instrumental in the founding and growth of the NCRPC, but has been a leader in regional planning, economic development, and rural community revitalization. Henceforth, this award will be presented annually to distinguished rural central Kansans who most exemplify the lifetime commitment to strengthening our rural communities.

The establishment of this prestigious award, and the recognition of Mr. Cyr as its inaugural recipient will serve not just as an ongoing tribute to those that have given so much to better their communities but also as an inspiration to people of all ages to public service and strengthening our rural communities.

I now ask my colleagues to join me in recognizing Mr. John R. Cyr for a lifetime of public service, as well as honoring his work to advance rural communities in Kansas.●

TRIBUTE TO JULIE SCOTT

• Mr. MARSHALL. Mr. President, I rise today to honor and recognize Ms. Julie Scott of Sedgwick, KS.

Julie is one of nine principals receiving the Terrel H. Bell Award for Outstanding School Leadership for 2022. She is the principal of R.L. Wright Elementary School and is to be honored during the National Blue Ribbon Schools Awards Ceremony on Thursday, November 3, 2022.

During her 4 years as principal of R.L. Wright, Ms. Scott has made it her mission to make the school a safe learning environment for all students, where everyone feels a sense of community. Through her outstanding leadership, the school has launched several programs to help achieve these goals.

To promote early learning, she created the school's full-day Cardinal Kids Pre-K Program. Ms. Scott also launched Cardinal Connect, an after-school program for students, and Cardinal Boost, a tutoring program focus-

ing on improving students' reading and math skills. Julie values the opinions of her students and works to incorporate them into bettering the school. To help accomplish this, she introduced the principal advisory team, which brings fourth, fifth, and sixth graders together to provide their input on school improvements.

Ms. Scott also led the creation of the school's family activity building. This program encourages a strong community by bringing students from different grade levels together for monthly bonding activities. Each group is led by an R.L. Wright faculty member, providing students with a consistent adult contact throughout their time in elementary school. Julie also introduced a "community build day" when the school received new playground equipment. Members of the Sedgwick community came together to help with the installation of the equipment.

She also strives to make the best environment possible for others at the school. Julie introduced R.L. Wright's Morning Community, where the entire school comes together to say the Pledge of Allegiance and listen to daily announcements. Julie formed collaborative teams with the introduction of Professional Learning Community times. These collaborations are designed to build team spirit and connection with the community. She launched a learning community for paraprofessionals, providing them with additional training and support in monthly meetings.

Julie's passion for her students and the additions she's brought to R.L. Wright are a shining example for educators everywhere. She is more than deserving of this award. I ask my colleagues to join me in recognizing the wonderful impact Ms. Julie Scott has had on the Sedgwick community and to honor her for her dedication to serving the students of R.L. Wright Elementary School.●

RECOGNIZING THE 4-H ALL-STAR MEAT JUDGING TEAM

• Mr. MARSHALL. Mr. President, I rise today to honor and recognize the Kansas 4-H all-star meat judging team.

The Kansas 4-H all-star team won the national championship at the 2022 4-H meat judging contest championship. The exceptional work ethic and dedication of the Kansas 4-H all-star team led to the first ever national title for a Kansas team since the contest started in 1970.

To be selected for the all-star team, students must have excellent evaluation, as well as strong decision-making skills and outstanding oral communication. This team of Kansans have dedicated significant amounts of time to studying and preparing for the championship, working with their coaches and studying independently leading up to the contest.

The team placed first in several categories, including retail cut judging,

retail cut identification, oral reasons, and overall judging. They also placed second in pork judging and beef judging. Their efforts are a great illustration of the dedication and hard work seen across the Kansas agriculture community.

A strong agricultural industry is not only important to the State of Kansas, but also to our country. That is why it is so encouraging to see young people throughout Kansas that are so committed to advancing the agricultural industry and proudly representing the next generation of Kansas farmers.

I now ask my colleagues to join me in recognizing the Kansas 4-H all-star meat judging team for their exceptional work and their efforts in bringing the first meat judging national title to the great State of Kansas.●

REMEMBERING DIDAR SINGH BAINS

• Mr. PADILLA. Mr. President, I rise to recognize Didar Singh Bains, a community leader in California, who passed away on September 13, 2022, at the age of 84.

Didar embodied the pioneer spirit of the Golden State. He left a small village in his native Punjab, India, for America with almost no money to his name. Didar found agricultural work in the Imperial Valley before eventually working his way to Yuba City in the northern part of the State.

Through hard work he tapped into California's fertile soils and rich agricultural bounty to build a farming empire that spanned California, Washington, and British Columbia. His particular gift for cultivating peaches earned him the moniker of "Peach King."

But Didar was much more than a farmer; he was a philanthropist, a pillar of his community, and a beacon of hope for Sikh immigrants across the country who were often fleeing violence in search of a better life.

A man of great faith, Didar raised money to build a Sikh temple in Yuba City, and he became the youngest president of the Stockton Gurdwara Sikh temple in 1965. He also founded the World Sikh Organization in 1984, which has donated millions of dollars to philanthropic causes around the world. After Sikhs became targets of discrimination and violence following the September 11 terror attacks, he worked with community leaders to meet with President George W. Bush in hopes of educating the Nation on the Sikh community.

The nearly 100,000 Sikh Americans who travel from across the country each year to Yuba City's annual Nagar Kirtan festival have Didar Singh Bains to thank. Didar was a champion for Yuba City and the surrounding region. His legacy is felt to this day by the businesses that now line the largely rural area. It can be seen in the political gains for Sikh Americans, exemplified by his nephew winning mayoral office in 2009 and becoming the first Sikh
